REMINDERS:

- *Your child must attend 85% of the classes to perform in any recital. If you are past due on your tuition please pay your balance in full prior to purchasing costumes.*
- *If your child is more than 10 minutes late to class, they will have to sit out that particular genre that they walked in on, this causes a disruption to the class*
- *Everyone should be in full dance attire for class, any questions on dress code please ask*
- *LABEL EVERYTHING WITH YOUR CHILDS FIRST & LAST NAME!*
- ***Payment Reminder:** May's tuition is due. Late fees will be added to tuition more than a week past due. Payments are due the first class of every month.*
