## **Student & Class Information**

We are getting closer to recital time. Please understand how important it is to have your child at every class in order to make this recital a great one. Reminder, the fundraisers has begun, don't forget to pick up your forms from the front desk. The fundraiser ends on Saturday March 23<sup>rd</sup>, all money and forms should be submitted on or before this date. Please stop by the front desk to ensure that we have your child's correct costume size, the costumes run true to size as if you were buying a shirt. If you have not done so already, ensure that you paid the costume deposit or your child unfortunately won't be able to participate in the dance recital. Also your account must be in good standing with PGD.

\*It is very important (especially 3-5 age group) that you have your child use the bathroom before the start of class. It becomes an epidemic, once one student has to use the bathroom half the class has to go. It is especially difficult for thr teacher if a child needs to go to the bathroom and their parent has already dropped them off.
