Student & Class Information

There is only a half dozen practices left before our recital. PLEASE make sure your child is at every practice and on time. There will be a few extra practice days in addition to regularly scheduled classes. All practices are **MANDATORY**, see below for your child's group, if you are not sure which group your child is in, please let me know. (FYI... when PGD is referenced it stands for Philly's Got Dance) **If your child is not performing in the recital, this does not apply.**

If you borrowed a costume for the photoshoot please return them back to the front desk. If you still have not received your costumes please let us know. If you don't have a video or the song selection that your child will be performing let us know. Practice during the week is just as important as practicing during regular scheduled classes. Please make sure that your child is practicing at home. Also, the money for t-shirts and well wishers are due now, candy sales ends on May 5th.
