Student & Class Information

There is only a half dozen practices left before our recital. PLEASE make sure your child is at every practice and on time. There will be a few extra practice days in addition to regularly scheduled classes. All practices are **MANDATORY**, see below for your child's group, if you are not sure which group your child is in, please ask at the front desk. ***If your child is not performing in the recital, this does not apply.***

If you borrowed a costume for the photoshoot please return immediately back to the front desk. If you don't have a video or the song selection that your child will be performing let us know. Practice during the week is just as important as practicing during regular scheduled classes. Please make sure that your child is practicing at home. Also, the money for t-shirts are due now and well-wishers May 11th. Reminder, your account must be in good standing with PGD to participate in the dance recital. Please DO NOT let your children play with the games, puzzle or toys on the second floor waiting room, we are tired of cleaning up the mess every Saturday.
